THE STATION INN BED & BREAKFAST

The Station Inn is a railroad-themed B&B located in Cresson, PA along the same busy Norfolk Southern railroad main line that traverses famous Horseshoe Curve a few miles away. Guests from far and wide stay at The Station Inn – built as the 1866 Callan House – to congregate and talk trains, explore the region’s railroad attractions, and discover local spots to watch freight trains conquer the mountain grades of the Alleghenies.

Bed & Breakfast Reservations must be made 48 hours in advance. Last-minute requests will not be honored.

The Station Inn, as we know it today, first opened in 1993, the brainchild of New Jersey railfan Tom Davis. Tom had the idea to establish a B&B for railroad enthusiasts.

Tom renovated and expanded the facilities, including a restoration of basement bar & restaurant as The Yard Office Saloon for several years.

Alex & Leah Lang, friends of the Davis family, purchased the beloved Inn in 2022, after Tom's passing the year before. The Yard Office Lounge opened in 2025.
