THE STATION INN BED & BREAKFAST

The Station Inn is a railroad-themed B&B located in Cresson, PA along the same busy Norfolk Southern railroad main line that traverses famous Horseshoe Curve a few miles away. Guests from far and wide stay at The Station Inn – built as the 1866 Callan House – to congregate and talk trains, explore the region's railroad attractions, and discover local spots to watch freight trains conquer the mountain grades of the Alleghenies.

Bed & Breakfast Reservations require 2-day notice. We are unable to honor last-minute requests.

The Station Inn, as we know it today, first opened in 1993, the brainchild of New Jersey railfan Tom Davis. Tom had the idea to establish a B&B for railroad enthusiasts.

Tom renovated and expanded the facilities, including a restoration of basement bar & restaurant as The Yard Office Saloon for several years.

Alex & Leah Lang, friends of the Davis family, purchased the beloved Inn in 2022, after Tom's passing the year before. The Yard Office Lounge opened in 2025.
